News Summary

Tokic asks Miller and Petritsch to take measures for harmonization of BiH laws with European conventions

BiH Alternative Council of Ministers Vice-president Sejfudin Tokic has asked US Ambassador Thomas Miller and High Representative [Wolfgang Petritsch](#) to take measures towards harmonization of the state and entity Constitutions with European human rights and freedom conventions. He proposes that politicians who have proven their opposition to the peace process be excluded from the election process and to expedite the arrest and trials of war crimes indictees.

Radio Ravne Brcko claims Bum disrupting reception

Radio Ravne Brcko employees warn they will be forced to change their frequency without IMC approval. In a letter to the Independent Media Commission, employees say that new radio station Bum, from Bijeljina, is disrupting the reception of their program to over 50 % of the municipality and is in flagrant violation of transmission rights contained in the broadcast license.
