News Summary

Parliamentary parties point out flaws in work of District Government and the International Administration

Brcko District parliamentary party representatives met with officials of the District's Provisional Government and Assembly and pointed out irregularities in the work of the government and the international administration in the District. Party for BiH Brcko Board President Munib Jusufovic requested the collective resignation of all officials in the District's Government and Assembly. SDP BiH Brcko Board President Zekerijah Osmic accused party colleagues and the Speaker of District Provisional Assembly Mirsad Djapo that he hesitated to schedule a regular session of the Assembly because of Brcko Supervisor Robert Farrand.
