The House of Representatives of BiH scheduled a session for tomorrow. One of the main issues of the session will also be the Law on Federal TV. Deputy Minister for Science, Culture, Education and Sport, Musa said that everything that is on the RS area, regarding the television, belongs to the RS, and analogue to this, everything that is on the Federation territory, related to television, should belong to the Federation. The Croat side proposed that the whole ownership and property of the present RTV BiH television, apart from the membership in the EBU would be transferred to the RTV Federation BiH. OHR representative Daniel De Luce said that as for the property relations between the present RTV BiH and the RTV Federation BiH, this is still an open issue, and that this matter should be returned to the Government, so that the government should make a compromise on this issue.
