Exhumation of the Susnjari grave near Sanski Most is in progress. RS experts' team is conducting the exhumation, and it is presumed that the grave contains about 120 bodies of Serb citizens killed during the war. RS Missing Persons Commission President Rosic did not want to confirm or deny that this is a mass grave, since there are indications that bodies were buried after being collected from Sanski Most as an aftermath of war. Rosic also thanked Bosniak side for co-operation.
