Houses were completely demolished and the joint police in Stolac commenced investigation of this and earlier cases.

1:00

Presidency member Zubak received US Ambassador Kauzlarich discussing the matters of the recently held Federation Forum session. Situation in the BiH Federation Army was also discussed as well as Banja Luka return conference and the latest draft agreements on special relations between BiH and Croatia. Zubak also met with UN Special Envoy, Rehn. The main subject of the discussion was difficulties in police restructuring process. Zubak also met with Sarajevo Canton Croat representatives and the main issues were implementation of the protocol for Sarajevo Canton establishment, implementation of the Sarajevo declaration and activities for speeding return of Croats to Sarajevo.

2:00

CoM delegation continued its visit to Sweden. At the press conference, held after the meeting with the Swedish Prime Minister, CoM Co-chairman Silajdzic said that DPA is weakly implemented, which strengthens the division of BiH. Serb representatives, ministers Albijanic and Bozanic expressed the standpoint that return of refugees might cause another war in BiH. Silajdzic disagreed with this standpoint, saying that obstruction of return would mean realisation of ethnic cleansing and genocide. Co-chairman Bosic supported demilitarisation of BiH saying that with BiH as a tampon-zone between Croatia and FRY, the whole region would be safe, from outburst of another war between the RS Army, Bosniak Army (adding that he means Army of BiH) and HVO. CoM delegation also met with former HR in BiH, Bildt who asked why the adopted laws are not being implemented. Bosic said that laws are adopted only declarative and that standpoints of three sides are mainly different.

3:00

HDZ BiH President, Rajic addressed a letter to HR Westendorp

in which he calls on authority of the HR, demanding to find out the truth about the fate of 21 Croats from Bugojno, who were took from a camp near Bugojno five years ago.

1:00
