CoM Co-chairman Silajdzic held a special press conference with the privatization process as the main subject. Silajdzic said that in the past week, 7 US experts, who represent the thesis that BiH do not need privatization on the state level, visited OHR. Silajdzic said that this was direct violation of DPA and that HR and OHR experts also do not support such proposal. Silajdzic also said: according to what I understood, Dayton is now division of the war prey. Silajdzic said that this standpoint is opposite to US policy so far, adding that the HR and his associates did not take these positions and are trying to defend Dayton as it is. (BiH TV News comment) In order to understand the new US experts standpoint, opposite the BiH Constitution, it is necessary to say that it was preceded by Dodik's visit to USA and that Dodik addressed a letter to Westendorp and Kauzlarich in which he informs them that the Law on Privatization on the state level is unnecessary, and therefore, according to Dodik, privatization in BiH can be done only by entity regulations.
