Initiative Board for Journalist Association appeals to OHR, [OSCE](#) and IMC

Due to the unresolved status of three Brcko media outlets, the Initiative Board for the Formation of a Journalist Association in the Brcko District addressed an appeal to the Brcko Mayor, Deputy Mayor, OHR, [OSCE](#) and IMC to resolve the issue of forming and financing the media in the Brcko District. The Board suggested the formation of three branches within this association, meaning radio, TV and newspaper, so that nobody currently employed ends up without a job.
