RS officials and political parties comment on signing of border agreement

RS officials and political parties commented on the border agreement.

SNS Vice-president Svetozar Mihajlovic informed that BiH Presidency member Zivko Radisic had already submitted objections to the signed agreement. Mihajlovic stated that a period of hard fighting in order to prove that the River Una is a natural and functional border follows. Member of the BiH Commission for Borders, Ostoja Kremenovic, stated that inter-state diplomatic commission should suggest a new solution for the state border between the two countries by the end of the year. RS Vice-president Mirko Sarovic judged the signing of the agreement as unconstitutional and non-Dayton, ONASA reported. The SNSD considered that the issue of the border in Serb Kostajnica was politicized and that the issues, which are not sufficiently defined by the [Dayton Agreement](#), are being used to cause conflict situations.
