HR deputy Haselock announced the reasons for HR's decision to remove RS President Poplasen. Haselock said that the High Representative today received a letter from the RS President Poplasen, in which he refused Westendorp's instructions regarding Poplasen's illegitimate efforts to remove the RS Premier Dodik, as well as his refusal to appoint the RS designate who has the necessary majority in the RS Assembly. Poplasen misused authority of the RS President, ignored the will of the people of RS as presented by legitimate delegates at the RS Assembly. Poplasen was preventing implementation of election results, and had permanent activities on instability in the RS, thus obstructing the [DPA](#) implementation. The HR exercises this decision in accordance with authority given to him by Annex 10 of the [DPA](#) and decision from PIC sessions at Bonn and Madrid.
