Establishment of BiH Common Border Service binding – Johnson

Principal Deputy High Representative Ralph Johnson stated that the BiH Border Service that was agreed in New York is binding, regardless of opposition to it, contrary viewpoints and rejections. Furthermore, so that there would not be any confusion regarding Sarajevo, Johnson rejected any chance of organizing Sarajevo using the Brcko model. According to Johnson, RS National Assembly conclusions related to BiH Common Border Service and New York Declaration were needless. He explained this, saying that entity parliaments do not need to confirm or negate issues that relate to BiH as a state. Commenting on a request of BiH Minister for Civil Affairs and Communications Marko Asanin to proclaim Sarajevo a district, Johnson stated that the OHR disagrees with this and that Sarajevo was not going to become a district after Brcko.
