One of the World Bank executive directors, who is visiting our country, Jean Daniel Gerber, head of the eight member delegation announced the possibility of holding the Donors Conference for BiH in July. Director Gerber expressed his optimism after holding talks with CoM in which he hoped that all conditions set before CoM would be fulfilled. He accentuated donors satisfaction with the good co-operation between the Entities. Boro Bosic, CoM Co-chair underlined that the problems with the Central Bank and single currency – main conditions for the talks with [IMF](#) – could be solved in next 15 days.

The Serb Citizens Council (SCC) delegation informed Alija Izetbegovic, BiH Presidency Chairman, about the content of the SCC declaration on human rights for political and national equality. AI supported their stand that rights should be recognized for the Serbs living in Federation and for the Bosniaks and Croats living in RS, i.e. to all peoples living in BiH. The SCC representatives asserted also that many citizens of the Serb nationality had expressed their wish to return back to their former homes.

We shall finish the establishing of six Mostar city municipalities despite the fact that representatives of SDA and HDZ boards did not harmonize the Municipal Statute text, Ivan Prskalo, Mayor of Mostar told a press conference after his and his Deputy's regular weekly meeting with Sir Martin Garrod, Regional OHR in Mostar. Safet Orucevic, Mostar Deputy Mayor, confirmed that he also agrees with the constituting of the municipal councils regardless of the fact that the Statute has not been finalised. Prskalo expressed his disagreement with the Federation Ombudsmen and OSCE representatives, who suggested that 82 Bosniak families, evicted from west Mostar after the signing of the DPA, return as a first group to their homes. We shouldn't make European states only on the Croatian regions, but form European towns also on the regions which belong to the Bosniaks, Prskalo said.

World News – Independent media in Mostar report that the Muslim population in Mostar east is embittered and frightened because of latest events which indicate that the Muslim authorities "sold out" the entire Mostar to the "HB". This is primarily related to Muslim renouncement of the ownership on the hydro-power station "Mostar" and dissolution of the BiH Army 4th Corps in Mostar. Green berets and the Resistance Movement in Mostar sent a letter to President Izetbegovic qualifying the act of putting the Muslim brigade under HVO control "a treason against the state".

A member of the BiH Presidency Kresimir Zubak announced today the revival of the Herzeg-Bosnia community.
