News Summary

IMC on permanent broadcasting license

Independent Media Commission representative Dieter Lorraine participated in a seminar on implementation of the IMC media code in Mostar. Lorraine warned that many radio and TV station in BiH would have to stop operations because they will not meet the standards for obtaining permanent licenses. “The conditions for obtaining permanent licenses for electronic media will be very strict” added Lorraine. Peru is the only country who has more TV and radio stations per capita than BiH, concluded Lorraine.
