News Summary

DNZ announces that Fikret Abdic will replace Izetbegovic in BiH Presidency

The Democratic National Union (DNZ) announced that its founder Fikret Abdic would be nominated to replace Alija Izetbegovic as the Bosniak member in the BiH Presidency. The DNZ believes that the political circumstances surrounding Alija Izetbegovic's announcement to retire were a very strange coincidence because, on the very same day the announcement was made, Spasoje Tusevljak was appointed as the new Chairman of the BiH Council of Ministers.
