RS Information Minister Vasic statement on Silajdzic

RS Information Minister Rajko Vasic stated that Co-chairman of the BiH Council of Ministers Haris Silajdzic tried to hide the unwillingness of BiH Federation officials to remedy the longtime corruptive syndrome conceived before the signing of the [Dayton Agreement](#). “With recent statements about corruption and the formation of the anti-corruption team, Silajdzic continues to manipulate the political public and IC” claims Vasic. He warned that, according to Silajdzic’s attitude, BiH entities, especially the RS, and the equality of three nations are the result of genocide, and the [Dayton Agreement](#) accepted that. Vasic added that, with this attitude, Silajdzic placed himself in the circle of those openly opposed to the [Dayton Agreement](#).
