He added the assessment that this was not only a political but also an economic problem. In his opinion, such settlements could also be erected in other BiH towns, like in Tuzla, Sarajevo, Zenica

and other places in BiH Federation as well (he implies: why aren't they).

SDA Banja Luka opposes construction of tent-settlements in Banja Luka

00:22 SDA representative from Banja Luka Smail Djuzel stated that the SDA opposes the erection of tent settlements in the Banja Luka Kastel quarter.
