News Summary

BiH HDZ says RS Government decision on BiH Permanent Election Law unacceptable

The HDZ BiH considers that RS Government assessment that the BiH Permanent Election Law draft is in accordance with the BiH Constitution is unacceptable. The BiH HDZ considers that the BiH Permanent Law offered by the OHR and [OSCE](#) contains several unacceptable solutions because those solutions are not in accordance with the BiH and entity Constitutions. Distribution of authority between BiH and entity institutions, and the BiH Federation and Cantons are controversial, the HDZ BiH concluded.

Tuzla Canton Union of Refugees and DPs condemns adoption of Citizenship Law in RS National Assembly – ONASA

The Union of Refugees and Displaced Persons of Tuzla Canton held a press conference in Tuzla. The Union condemns the adoption of the Law on RS Citizenship by the RS National Assembly and considers this act as legitimizing the policy of genocide and ethnic cleansing in BiH. Director of the Union Fadil Banjanovic states that the Union requests that High Representative [Wolfgang Petritsch](#) bring a decision to revoke controversial regulations of the Law on RS citizenship. The Union requests the IC organize a special conference on the status of refugees in BiH and create clear programs for return, ONASA reported.
