OHR condemns Umicevic statement on Ferhadija – Stiglmayer

OHR spokesperson Alexandra Stiglmayer stated at a press conference in Banja Luka that the OHR condemns the statement by Banja Luka Mayor Djordje Umicevic on the reconstruction of the Ferhadija Mosque in Banja Luka. “Umicevic has violated the [Dayton Agreement](#), European conventions on human rights and the House of Peoples with these statements” Stiglmayer stated. She added that the RS authorities were, according to the House of Peoples decision, obliged to allow the reconstruction of the mosque by 11 September.

Formation of BiH Public Broadcast Service Establishment Board mistake – Vasic

RS Information Minister Rajko Vasic stated for SRNA that the session of the BiH Public Broadcast Service Establishment Board in Banja Luka is a déjré vu-type theater set, comparing it with former Yugoslav meetings between destructive leaders. He believes that the formation of the Board is a mistake, since BiH Federation TV was supposed to be formed first. Vasic thinks that BiH Federation TV was envisioned as a society with

limited authorities and a starting capital of KM 100,000, an amount every BiH black market proprietor has in his pocket. The background is that the present TV BiH wants to assume the title of BiH Public Broadcast Service and authorize the Establishment Board to form a public corporation for relays and transmission in BiH without the consent of the entities. Members of the Board from the RS do not have any authority to accept everything that is passed to them, but know the clear attitudes of the RS officials and Government.

SPRS to request early elections

SPRS Executive Board member Momir Malic stated at a press conference that the party would request early presidential elections in the RS should the presidential crisis not be resolved within ten days. He added that the SDS and SRS, as partners and as parties with candidates for president and vice-president, are not able to resolve this problem. The SPRS demands that the SDS and SRS agree on who would take over the presidential duties and continue inter-party talks on this with Sloga. Malic concluded that the SPRS would be satisfied if RS Vice-president Mirko Sarovic takes over the presidential duty within ten days.
