News Summary

RS Government appoints SRNA General Director

On Tuesday, the RS Government appointed Dragan Davidovic SRNA General Director. RS Information Minister Vasic stated that an administrative mistake had initiated the problem of the dismissal and appointment of SRNA general director, because RS Government had not sent an explanation about the dismissal to the former SRNA general director. Vasic added that the RS Government had corrected the mistake and accepted the objection of the RS Supreme Court according to which the decision of RS Government on dismissal of the former director was not invalid due to lack of explanation.

Johnson holds press conference

On Tuesday in Banja Luka, Deputy High Representative Ralph Johnson held a press conference where he stated that the BiH

border service must be formed on the state level, not the entity level, because the state is authorized to control the borders. Johnson believes that the BiH Parliament will adopt the law on border services. Johnson added that the list of 800 persons who use two or more accommodations was interpreted in the wrong way, because that was not a new, but an old document. Commenting on the statement by Banja Luka Mayor Djordje Umicevic that he would not leave his office, Johnson said that the decision of the High Representative was final and binding.
