The RS Government held session today. The set of property laws was sent for finalization to the Legislation Secretariat before entering Assembly proceedings. It was accepted that the material expenses for the past four months should be compensated to the primary schools in order to end the current strike. Further attention will be given to the issues regarding the construction and economy in the Srpsko Sarajevo region at one of the next sessions. Mr. Ostoja Knezevic was dismissed as the General Manager of RS Telecom. The customs will be charged for all excise goods in the traffic with the FRY. The talks with the FRY Government are to continue.
