***In accordance with*** the powers vested in me by Paragraphs 8, 10, 11, 13, 36 and 37 of the Final Award, dated March 5, 1999, of the Arbitral Tribunal for Dispute over Inter-Entity Boundary in Brcko Area (“the Brcko Tribunal”);

***In accordance also with*** Paragraph 67 of the Final Award of March 5, 1999 providing in relevant parts that the Brcko Tribunal “will retain jurisdiction over (...) dispute until such time as the Supervisor, with the approval of the High Representative, has notified the Tribunal (...) that such institutions are functioning effectively and apparently permanently”;

***Recalling*** that the Statute of the Brcko District of Bosnia and Herzegovina (“the Statute”) was enacted by Supervisory Order dated March 8, 2000, establishing the initial organization of Brcko District institutions;

***Further recalling*** that since then, the Statute has been amended by Supervisory Orders dated August 23, 2000; March 26, 2004; July 15, 2005; September 12, 2005; February 2, 2007 and May 6, 2008; and by Brcko District Assembly decision dated July 7, 2005;

***Noting*** that when I enacted amendments to the Statute on May 6, 2008, which introduced measures in order to improve the effectiveness and functionality of the Brcko District Assembly and to harmonize Brcko District legislation with State legislation, I reserved the right to make further changes to the Statute, should that prove necessary or conducive to the efficiency of Brcko District institutions;

***Noting further*** that on March 25 and 26, 2009, both Houses of the Parliament of Bosnia and Herzegovina adopted Amendment I to the Constitution of Bosnia and Herzegovina (“Amendment I”), providing a constitutional solution for the status of Brcko District and its access to the Constitutional Court of Bosnia and Herzegovina, which was subsequently published in the Official Gazette of Bosnia and Herzegovina, No. 25/09, on March 31, 2009;

***In furtherance of*** the adoption of Amendment I and aiming at accordingly reflecting those constitutional changes in the Brcko District legal framework, it is necessary to amend Brcko District legislation needs to be amended, in particular relevant provisions of the Statute and of the Law on Courts of Brcko District of Bosnia and Herzegovina published in the Official Gazette of Brcko District of Bosnia and Herzegovina, Nos. 19/07 and 20/07, in order to regulate and expedite access of Brcko District institutions to the Constitutional Court of Bosnia and Herzegovina;

***Of the opinion*** that such changes are necessary to be made without delay in order to harmonize Brcko District legislation with the Constitution of Bosnia and Herzegovina and to improve the effectiveness and functionality of the Brcko District Courts as well as to ensure the protection of the interest, status and powers of Brcko District through effective procedure and the maintenance of harmony after Supervision has ended;

***Mindful of*** the need to clearly define the procedure of assessment of compatibility of all legal acts within the Brcko District legal system and therefore to have a Brcko District law regulating this matter as soon as possible prepared by relevant legal experts of the Brcko District judiciary in close cooperation with my Office;

***Having consulted*** with the President of the Appellate Court of Brcko District and members of the Brcko District Judicial Commission and having received legal expertise as well as broad support and acceptance of the need for making this Order;

***Having therefore decided*** to make the necessary amendments to the Statute and related legislation by way of Supervisory Order, and believing this course to be the most appropriate and needed to create the conditions required for the orderly termination of Supervision and for the effective functioning of Brcko District institutions after Supervision has terminated;

***Again reserving*** the right to make further changes to the Statute should that prove necessary or conducive to the effective functioning of Brcko District institutions;
