

Returns to Travnik and Vitez Areas

Tomorrow, Wednesday September 16, the Reconstruction and Return Task Force (RRTF) for Central Bosnia will hold two important meetings.

At 9.00 hours, the group representing the OHR, UNHCR and other international organizations will meet with the mayors of Travnik and Vitez to discuss the time-table and modalities for returning some 30 Bosnian Croat families to the village of Bukavica in the Travnik municipality.

Later on, at 12.30 hours, the Central Bosnia RRTF will meet with authorities from Vitez to take stock and design future plans, in particular with regards to allegations from both the Bosnian Croat and the Bosniak side that the other side has been favoured in the allocation of international assistance.

Journalists are invited to come to the Municipal Building in Travnik at 10.00 hours and to the Municipal Building in Vitez at 13.30 hours for short press conferences by the participants of the meetings.
