Role and Functions of the Multi-Ethnic Housing Commission

In view of the confusion in some press reports regarding the role and functions of the Multi-ethnic Housing Commission, the Supervisor of Brcko reiterates his commitment to the established Procedure for Returns to Brcko. This procedure has been in place since April 1997 and will continue, based on the property laws of both Entities. To resolve cases of multiple and illegal occupants are the first priorities of OHR-N.

The multi-ethnic Housing Commission will continue to perform its task of identifying multiple and illegal occupants and making recommendations to the Returns Commission. The Returns Commission will take the final decision on evictions.
