

Statement of the Peace Implementation Council Steering Board

The Ambassadors of the Peace Implementation Council Steering Board expressed today their solidarity and deep sympathy to those affected by the unprecedented floods in Bosnia and Herzegovina, especially to those who lost loved ones or whose homes were destroyed. The Ambassadors of the Peace Implementation Council Steering Board commended in particular the efforts of the civil protection agencies and the BiH Armed Forces to rescue and assist stranded individuals. Members of the Peace Implementation Council Steering Board and the wider international community will continue to provide assistance to those in need.
