

Supervisory Order on Monuments

In accordance with the powers vested in me by Paragraphs 8, 10, 11, 13, 36 and 37 of the Final Award, dated March 5, 1999 ("the Final Award"), of the Arbitral Tribunal for Dispute over Inter-Entity Boundary in Brcko Area ("the Brcko Tribunal");

Emphasizing that peace, tolerance, justice, and equality of all peoples are recognized in the Bosnia and Herzegovina Constitution and the Statute of the Brcko District of Bosnia and Herzegovina;

With reference to the Law on Monuments and Symbols of October 15, 2003, published in the "Official Gazette of the Brcko District of BiH", No. 22/03 (hereinafter "the Law on Monuments") which regulates "the procedure of erection of monuments and symbols on the public areas of the Brcko District of Bosnia and Herzegovina, their maintenance and their preservation";

Recalling that relevant parts of the above-mentioned Law stipulates that "Aiming to provide equality of all constituent peoples in the District, Bosniac and Croat monuments will be placed in the central part of the Brcko town, between the Sava Mosque and the Catholic Church" and that "Location and size of these monuments shall correspond to the location and size of the Monument to 'Serb Defenders of Brcko'";

Regretting that this Law has not yet been fully implemented in this regard mainly due to political disagreement over the location of such monuments, thereby maintaining the unequal arrangement that is inconsistent with the spirit and provisions of the Statute of Brcko District of Bosnia and Herzegovina and of the Final Award;

Having previously felt compelled to intervene by way of my Supervisory Order of March 23, 2007 reiterated in my letter of April 18, 2008, suspending any construction of monuments in the Brcko District until more suitable conditions for agreement were obtained;

Having consulted since then with relevant associations and political parties over many months with the aim to find an amicable solution;

Encouraged by the political agreement amongst all political parties in the Post-Election Political Agreement for a Better Brcko District which includes “to have monuments built in 2009 for the fallen members of military components of the AR BiH and HVO”;

Mindful that all District taxpayers have already contributed to the “Serb Defenders of Brcko” monument since the District Government, based on decisions by District Courts, has had to pay BAM 800,000 as compensation for the illegal expropriation of part of the landplot on which the monument is located;

Further encouraged by the respective agreements reached on November 5, 2009, between all political parties and on November 10, 2009, between the Veterans Association of Republika Srpska, the Association for Construction of Monument to HVO and the Association “Not to be Forgotten”, respecting the right of each association to determine the location for its respective monument in the central part of Brcko town, not objecting to the existing erected monument for the “Serb Defenders of Brcko”, and supporting the other associations’ choice of location for the monuments to be constructed;

Recognizing a broad desire within the Brcko community and amongst political parties to also remember the many civilian victims of war in Brcko from 1992 to 1995 and from 1939 to 1945;

Calling upon the authorities to find a way to commemorate the

civilian victims of war in a dignified manner;

Having therefore concluded, with the unanimous consent of political parties and associations that a Supervisory Order would be the most effective and acceptable way to assist and ensure smooth implementation of the agreements reached;

Commending the associations and the political parties for their mature efforts to resolve the issue in an atmosphere of tolerance, dignity and respect;

Aiming to foster reconciliation amongst all peoples in the District and to contribute to the multi-ethnic character of the District;

I therefore hereby order that:
