

Time For PM Dodik To Comply With Court Order

Prime Minister Dodik has said many things in the past that never came to anything. It is time he stopped making provocative statements and time he delivered on his numerous legal obligations and promises, most recently to the Peace Implementation Council to comply fully, completely and unconditionally with any court order to submit documentation directly to the State prosecutors office.

OHR reminds Prime Minister Dodik that only yesterday the PIC Steering Board reiterated its full support for the High Representative and his office and called on all institutions in BiH to ensure full respect for the Dayton Peace Agreement. By such an announcement he is making a mockery of the rule of law.
