

# Valentin Inzko Meets Jaap de Hoop Scheffer

High Representative and EU Special Representative, Valentin Inzko, met today with the outgoing NATO Secretary General, Jaap de Hoop Scheffer, where he thanked the Secretary General for his support and continued attention to BiH throughout his tenure as Euro Atlantic integrations are key priority for Bosnia and Herzegovina and its citizens.

NATO and OHR have never viewed defense reform as an event – but rather a process. High Representative and EU Special Representative Inzko pointed out that reforming of the defense establishment in BiH is not yet finished as there is still the issue of registering ownership of the defense real estate needed for the BiH Ministry of Defence and Armed Forces.
